

SECRET

26 ^{July} 1946

TO: AB-16, Berlin
FROM: AB-51, Amzon
SUBJECT: Frau BEETZ

1) Attached account of "Operation FELICITAS" substantially confirms Subject's own statements made at the time of her arrest in WEIMAR.

2) The interesting part is that PATER PANCINO seems to have been the only one connected with this operation who voiced suspicions that Subject had all along been playing a double game to the detriment of the SD.

3) You might mention to Frau BEETZ that Pater PANCINO has not been apprehended yet and that any traces that might lead to his apprehension would be valued by us. It appears that he is hiding behind the anonymity of his character indelebilis as a Priest and that, since nobody knows his true name and his family background, he has little difficulty in keeping submerged.
